ACKNOWLEDGEMENT

COMPUTER SCIENCE PRACTICAL RECORD • CLASS XI

I would like to express my sincere gratitude to my Computer Science teacher for the valuable guidance, encouragement, and support provided throughout the preparation of this practical record file.

I am thankful to the school for providing the necessary facilities and learning environment to practise Python programming and develop my understanding of the concepts included in the CBSE Class XI Computer Science curriculum.

I also acknowledge the support of my parents and classmates, whose motivation and cooperation helped me complete the practical exercises. Preparing this file has strengthened my problem-solving skills and my ability to write, test, and understand Python programs.

I have made every effort to complete this record neatly and sincerely. I hope that it reflects my learning and practical work during the academic session.
